TANNING SKINCARE

FEATURES:

- High concentration of DHA, Natural & Cosmetic Bronzers impart perfect dark color
- Melanin stimulators for higher intensity results
- Super Fruit antioxidant benefits
- Anti-aging and firming
- Hemp Seed Oil
- Soft & Sweet Fragrance

BENEFITS:

- High amounts of DHA & natural bronzers will allow for a long lasting bronzed result, while cosmetic bronzers give the instant bronzing satisfaction your skin craves.
- ALA Technology™ - Reduces appearance of fine lines and wrinkles.
- Black Tea Extract - Strong antioxidant with astringent properties that helps to reduce blemishes.
- Acai Oil - Powerful fruit oil loaded with antioxidants.
- Hemp Seed Oil - Saturates your body and continually restores and replenishes moisture.

KEY SELLING STATEMENT:

With White 2 Bronze Extreme™ you will experience darkness like never before. Formulated with more accelerators, darker DHA and natural bronzers will allow you to go 3 shades darker – instantly! Added hemp seed oil will keep the skin hydrated, while ALA Technology™ and acai berry will fight free radical damage and the appearance of fine lines and wrinkles. This amazing tapioca starch blend will soften and condition the skin as the soft & sweet fragrance appeals to all tanners.
