## KEY SELLING STATEMENT:

White 2 Bronze™ is part of the new DC SOHO Collection. You will notice immediate tanning results and smooth, soft skin! Intense levels of DHA are blended with natural bronzers to help you get three shades darker in just one tanning session, while cosmetic bronzers give an instant bronzed appearance. Natural vitamins combined with exotic oils and extracts deliver potent skin-firming and anti-aging benefits. The amazing Tapioca Starch Blend bathes the skin in hydration, leaving it soft and silky to the touch. A light Autumn Nights fragrance appeals to every tanner.
